6 There is no provision made for this in the Current year's budget. The amount required is 8401-. This may probably be met from the grant of Rs 6000 provided for opening new dispensaries under 21 (2) (i).

This grant of Rs 6000 is intended for opening 4 L. F. Dispensaries at Talkad, Kuruvanur and Amrittur. It is not understood why in one and the same place viz Amrittur a L. F. Dispensary and an Experimental Dispensary are proposed to be opened

By a reference to the Budget file it is seen that the provision of Rs 6000 for new dispensaries is intended for opening 3 L.F. Dispensaries at Talkad Kuruvanur and Amrittur. It is not known why in one and the same place a regular dispensary and an Experimental dispensary are proposed to be opened. The Addl. Secy may perhaps kindly request to note in the matter.

9. In view of the opening of a general disbursement of the kind sanctioned in Govt. No. 11573-7/Land 49-25-86 dated the 2nd May 1927, at Amritsar, there does not seem to be any immediate need for opening a pukka L.T. Disbursement at the latter this year. It is therefore submitted that the cost of the new disbursements at Kendrapara & Amritsar, expected to be the P.W.D. might therefore be met from the provision made for new disbursements in the current year's budget
